A Day on the Greens brings Green to Audio-Reader!

Gorgeous weather, 21 teams and group of early rising volunteers and staff made for a fantastic day on the course to benefit Audio-Reader. The 5th Annual Golf Classic, led by legendary KU Associate Athletics Director and event chairman John Hadl, was held at Alvamar Country Club on Monday, May 19, raising $18,500 for Audio-Reader.

Winning teams include: 1st place, flight A: Miles Schnaer, Pat Henderson, Kelley Miller and Jamie Bermel; 1st place, flight B: Jerry Magnuson, Gary Leonardi, John Butler and David Ross; 2nd place flight A: Tyler McMaster, Bob Schwartz, Dave Boxberger and Cole Schwarz; 2nd place flight B: Scott Weatherwax, Bob Kerr, Darrell Brock and Kevin Newkirk. Other winners include: Cecil Kingsley, longest putt; Monica Foltz, longest drive (women’s); Stephen Blanchard, longest drive (men’s); and Phil Roush, closest to the pin.

“Audio-Reader is an important service that provides information and companionship to the blind and visually impaired across the state of Kansas. I’ve really enjoyed helping this great organization and being a part of the tournament,” Hadl said.

Offered as a public service by the University of Kansas, Audio-Reader is a reading and information service for blind and print-disabled individuals throughout Kansas and western Missouri. The Kansas Audio-Reader Network exists to provide print-disabled citizens with access to the printed word and other information via closed-circuit radio and telephone reader broadcasts, internet, special request and audio-description of live theatre. Services are provided free of charge to enable print-disabled persons the opportunity to live their lives with the greatest possible personal independence. For more information about Audio-Reader, visit reader.ku.edu or call (785) 864-4600
